3. Bottom Line Bar (Liquor License Violation) – February 21, 2013

On February 21, 2013, at approximately 0210 hours, Officer Brown was dispatched to the Bottom Line Bar, 415 Palmer Avenue, for the report of the bar still being open, after hours with patrons still inside.

Officer Brown arrived on scene and, upon entering the establishment, observed two male patrons and one female patron sitting at the bar. Officer Brown spoke with the bartender, Pete Bevilacqua (DOB: 9/26/69), who stated that he was “closing up and would be out of the establishment shortly”. Officer Brown reminded Mr. Bevilacqua of the liquor law statute, advising him that all patrons have to be off the property at 0130 hours and that all workers need to be off the property by 0200 hours.

Mr. Bevilacqua stated that he fills in as a bartender from time to time and stated that none of the patrons were “drinking” (consuming alcohol). He was advised that a report would be forwarded to licensing in regards to the violation. Mr. Bevilacqua departed off-site

at approximately 0230 hours with the additional patrons.

Due to the aforementioned facts the management of Bottom Line Bar is in violation of the following Rules and Regulations issued by the Board of Public Safety for the orderly operation of liquor establishments.

9. CLEARANCE OF PREMISE AND ASSOCIATED AREAS

A. All patrons shall leave the licensed premise within one-half hour after the required closing time, and all employees and patrons shall leave the parking and outside areas within one hour after the required closing time.

ACTION:

4. Brady's Liquors, Inc. (Tobacco License Violation) – February 12, 2013

On Tuesday, February 12, 2013, I, Sergeant Joe Hopkins and Sergeant Tom Snow were assigned to the tobacco detail with WI Turner, a 17 year old male who was given the instructions for tobacco purchase attempts and have done this detail several times before.

At 1628 hours, Turner entered Brady's Liquors and returned with a box of Newport cigarettes which he stated he purchased for \$10.23 from the clerk in the store. The cigarettes were seized as evidence. We entered the store and identified IP Salguero as the clerk in the store Turner described. Salguero acknowledged that she sold the cigarettes to Turner and was advised of the violation. A District Court summons was given to Salguero vs. Brady's Liquors/Kevin Burke (owner) with a court date of Tuesday, March 26, 2013.

We further noted that the store had a full assembly of tobacco products displayed for sale to the public but did not have a current license displayed. This report was forwarded to the Licensing Department.

Due to the aforementioned facts, the owner of Brady's Liquors is in violation of the Code of Ordinances of the City of Warwick:

Sec. 18-2 Miscellaneous License Fees

(c) Operating without a license. Any person, corporation, partnership or other business entity operating without a valid license issued by the Board of Public Safety shall

immediately be closed and prohibited from operating until such time as a license obtained from the Board of Public Safety. In addition, the person, corporation, partnership or other business entity shall be subject to prosecution in municipal court for said violation and upon conviction said violation shall be punishable as provided in Section 1-4 of this Code of Ordinances.

On Tuesday, February 12, 2013, I, Sergeant Joe Hopkins and Sergeant Tom Snow were assigned to the tobacco detail with WI Turner, a 17 year old male who was given the instructions for tobacco purchase attempts and has done this detail several times before.

At 1532 hours, Turner entered the Sam's Food Store and returned with a Dutchmaster cigar which he stated he purchased for \$1.75 from a clerk in the store. The cigar was seized as evidence. We entered the store and identified IP Kahn as the only clerk in the store. Khan acknowledged that he sold the cigar to Turner and was advised of the violation. A District Court summons was given to Khan vs. Sam's Food Store/Abdul Khan (owner) with a court date of Tuesday,

March 26, 2013.
